

LINCOLN SCHOOL VOLUNTEER TRANSFER FORM

In accordance with action taken by the Board of Education and Administration, the following information will govern enrollment of students for the current school year.

1. The map on the back of this sheet indicates official attendance boundaries for the respective schools in Pontiac School District #429.
2. A student must enroll and attend the school within which his or her official residence is located (official residence meaning the place in which he or she regularly lives with parent(s) or legal guardian(s).) **Babysitter residences are not included.**
3. To insure your attendance at your neighborhood school you must register by June 2, 2008. If you choose to not register by this date, your child may be considered for transfer to another school to balance class size. **There will not be a late registration date.**
4. If there is a need to transfer students, those volunteering to move will be given priority to move.

*** Students who move into the district after June 2, 2008, will be considered a high priority for balancing class size.

**** Attempts will be made to avoid splitting siblings. This is not always possible.

PLEASE RETURN THIS FORM ONLY IF YOU WISH TO HAVE YOUR STUDENT(S) TRANSFERRED TO ANOTHER ELEMENTARY SCHOOL IN THE DISTRICT.

In the event classes become overcrowded, I would be willing to have my child/children attend:

_____ Washington
_____ Central
_____ (Either of the above schools)

Student _____ Grade _____
Address _____
Phone _____

Brothers/Sisters Grade

(parent signature)

****** You will be notified a few days before the start of school if your request has been granted.***
